RBC Convention Centre

Messages and Program

LAND ACKNOWLEDGEMENT

RRC Polytech is committed to ensuring that First Nations, Métis and Inuit knowledge, cultures and traditions are embraced and reflected in the pursuit of its mission.

An acknowledgement of these lands that we are on today, and of RRC Polytech's commitment to Indigenous Peoples and communities, now forms part of the foundational statements that define the College.

RRC Polytech campuses are located on the lands of Anishinaabe, Ininiwak, Anishinew, Dakota, and Dené, and the National Homeland of the Red River Métis.

We recognize and honour Treaty 3 Territory Shoal Lake 40 First Nation, the source of Winnipeg's clean drinking water. In addition, we acknowledge Treaty Territories, which provide us with access to electricity we use in both our personal and professional lives.

We respect the Treaties that were made on these territories, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

RRC Polytech is committed to a renewed relationship and dialogue with Indigenous Peoples based on the principles of mutual trust, respect and reciprocity.

HONOUR SONG

This tradition began centuries ago on Turtle Island. Indigenous Peoples believe the drum and the heart share a similar purpose: to provide life through its beat. This convocation promotes oneness, love and respect for all living things.

The honour song brings voice and calls spirit to celebrate the relationships between all life. Usually sung to honour a particular person, they can also be sung for groups or at sacred gatherings such as sundances, sweat lodges and ceremonies to acknowledge those who have accomplished a great goal.

When the honour song is sung at a gathering, it is considered respectful to stand and remove your hat.

INDIGENOUS GRADUATION STOLES

Indigenous graduates from RRC Polytech proudly wear School of Indigenous Education graduation stoles with their gowns to recognize their academic achievements. These beautiful stoles are embellished with symbols of the Seven Sacred Teachings, as well as symbols that represent our rich First Nations, Métis and Inuit cultures. You will also see the Assiniboine and Red Rivers represented throughout the design as a nod to the geography and history that have brought Indigenous Peoples to the land that RRC Polytech campuses are located on.

President's Message

Dear graduates,

Congratulations on reaching this remarkable milestone, and welcome to the proud and ever-growing community of RRC Polytech alumni.

Today, you join the ranks of graduates from Manitoba's only polytechnic – a distinction that speaks volumes about your dedication, resilience and ambition. The credentials you've earned are more than just a symbol of academic achievement; they are a gateway to new opportunities and a testament to your readiness to contribute meaningfully in a world that is constantly evolving.

As you step into the next chapter of your journey, carry with you the confidence that comes from mastering new skills and knowledge. You've proven your ability to adapt, to lead and to thrive in the face of change – qualities that will serve you well in any path you choose. Your education has prepared you not only to meet the demands of today's workforce but to shape the future of it.

Employers will benefit from your fresh perspective, your practical experience and your commitment to excellence. You are equipped to make a difference – not just in your workplace, but in your community and beyond. Your success contributes to the growth and prosperity of our province, and we are excited to see the impact you will make.

This achievement is the result of your hard work and perseverance, and you deserve to be celebrated. RRC Polytech is honoured to have been part of your journey, and we hope the values you've embraced here – innovation, inclusivity and integrity – will continue to guide you as you build a better, more equitable future.

While today marks the end of your time as a student, it is only the beginning of your lifelong relationship with RRC Polytech. Whether through continuing education, professional development or corporate training, we are here to support your growth at every stage of your career.

We also invite you to stay connected and consider how you can give back – by mentoring, sharing your insights or helping shape the next generation of learners. Together, we can ensure that every student has the opportunity to succeed.

As you join a network of more than 105,000 alumni making a difference around the world, know that we are proud of you – and confident in all that you will accomplish.

Congratulations once again!

Fred Meier
President and CEO, RRC Polytech

Board of Governors' Message

Dear graduates,

It is my honour to congratulate each of you on behalf of RRC Polytech's Board of Governors. You are on your way to becoming leaders and change-makers in your industries and we are proud to mark this day with you.

You have accomplished so much in your journey to graduation, and I hope you take the time to remember your hard-earned wins and celebrate your grit, determination and desire to make a positive impact.

Today you are welcomed to an esteemed group of RRC alumni. Those who have walked these halls before you are ready to welcome you into their ranks and I know you'll continue to impress and represent all that RRC Polytech stands for in your future successes.

A handwritten signature in black ink, appearing to read 'Lloyd Schreyer'.

Awards and Medals

Lieutenant Governor's Medals

A maximum of four medals are awarded annually to graduates from RRC Polytech who, in the opinion of the selection committee, demonstrate exceptional academic and technical achievement, volunteer service to the College, community, organizations and individuals, and good character. Selection is made by a committee that includes representation from the student body, faculty and administration.

Spring 2025 Recipients

Deborah Modupe Boluwatife, Disability and Community Support Diploma

Yanna Mariel Polonia Gutierrez, Data Science Machine Learning Diploma

Daniela Raida Ruiz Fernandez, Indigenous Social Entrepreneurship Diploma

RRC Polytech Honorary Diploma Business Management

Maria Pacella

EXECUTIVE DIRECTOR, SKILLS MANITOBA

Maria Pacella has led Skills Manitoba as Executive Director since 2006, championing skilled trades education and career development across Manitoba, Canada and beyond. In nearly two decades, she has built strong partnerships, developed inclusive programming and created opportunities for students, apprentices and underrepresented groups in the trades.

Maria works closely with educational institutions, including a long-standing partnership with RRC Polytech, host of the annual Skills Manitoba competition. Skills Manitoba's programs span all four Manitoba colleges and include schools in both urban and rural communities, ensuring that programming reaches students throughout the province.

In both 2017 and 2023, Maria led two of the most successful National Skills competitions to date, each drawing more than 13,000 students while breaking national records for tours from Manitoba schools. Nationally, Maria has contributed to the success of many Skills Canada competitions, including Manitoba's hosting of the 2017 and 2023 national events in Winnipeg.

Maria has launched many important initiatives and helped Skills Manitoba build a strong presence throughout the province, including in northern Manitoba. Notable initiatives include the Northern Young Women's Conferences held in Thompson, The Pas and Flin Flon, along with innovative programs such as the Extreme Sledding Challenge, the Skilled Trades & Technology Olympics, Northern Manitoba Skills Challenge, Model Wind Turbine Competition, Youth in Manufacturing and various skilled trades awareness programs within Winnipeg. Skills Manitoba also hosts 10 Young Women's Conferences throughout the province. These initiatives play a crucial role in introducing young people in Manitoba to skilled trades. In Winnipeg, Maria helped create the North End Trades Discovery Initiative, introducing middle and high school students to the trades through hands-on learning.

Partnering with First Nations, Inuit and Métis organizations, Maria led the development of the Indigenous Skills Showcase – an initiative that celebrates Indigenous culture through skills such as woodcarving, cooking, beading and design – empowering youth to explore trades careers in a culturally safe environment. The showcase was featured at the 2023 Skills Canada National Competition.

Maria's leadership continues to support Skills Manitoba's mission to build a strong, inclusive workforce through education, innovation and community collaboration, while fostering strong industry support that has led to outstanding partnerships that grow every year.

RRC Polytech Students' Association Teacher Award of Excellence

Cora Jalonen

INSTRUCTOR - BUSINESS MANAGEMENT AND BUSINESS ACCOUNTANCY INTERNATIONAL

Cora Jalonen is an instructor with the School of Continuing Education at RRC Polytech, where she teaches in the Business Management and Business Accountancy International programs. She has been with RRC Polytech for just over three years, bringing a wealth of professional experience and a passion for education to her role.

Outside of teaching, Cora is also a Chartered Professional Accountant (CPA) and Certified Internal Auditor (CIA) with more than 30 years of industry experience in accounting and financial management. She has held senior management roles across a variety of sectors, including financial services, education, not-for-profit, transportation, manufacturing and public practice. Strategic planning, facilitating and coaching have been central to many of the positions she has held throughout her career.

Prior to joining RRC Polytech, Cora built a diverse and accomplished career in Winnipeg, where she was born and raised, and has spent her entire professional life. She is also a proud graduate of the polytechnic's Business Administration program.

Cora's favourite part of her role is working with international students and learning from their experiences and viewpoints, which she finds enriches classroom discussions and fosters a dynamic learning environment. Her goal as an instructor is to share her career experiences and equip students with relevant knowledge and practical skills they can bring into the workplace.

Students describe her as an excellent teacher, and the type of instructor who "knows all her students' names and deeply cares about them learning the material."

"She has consistently demonstrated professionalism, deep knowledge of her subject and a genuine passion for teaching," said one student. "She goes above and beyond to ensure we understand our lessons, always being considerate of our needs and circumstances. Her empathy and willingness to listen make a significant impact, and she never hesitates to offer life advice that inspires and guides us. She is not just an excellent educator but also a mentor who truly cares about her students' growth and success."

In addition to teaching, Cora serves on the Board of Directors and Committees for the Manitoba Museum, reflecting her strong belief in community involvement and giving back.

Outside of work, she enjoys spending time with her family, traveling and relaxing at the lake.

Gold Medals

Spring 2025 Recipients

RRC Polytech Gold Medals recognize graduates in diploma and degree programs of two academic years or longer (excluding Apprenticeship programs) who attain the highest cumulative program grade point average at or above 3.80. Each program selects and awards one gold medal for each academic year. The gold medalist may complete their program and convocate in either the fall or spring convocation ceremony.

Program	Recipient
Aircraft Maintenance Engineer	John Vincent De Leon
Architectural Technology.....	Seungchul Lee
Architectural/Engineering Technology	Andrea Zoila Rosa Porrás Piedra
Automotive Technology	Heng Zhang
Bachelor of Nursing	Randi Lee Chase
Bachelor of Technology - Construction Management	Hugh Clarke
Business Administration - Accounting	Peeru Mittal
Business Administration - Financial Services	Shakhawatur Dewan
Business Administration - General	Sarah Chorney
Business Administration - Logistics and Supply Chain Management	Enrique Cerrada
Business Administration - Marketing.....	Kristine Ched Uy Vergara
Business Information Technology.....	Yuni Choi
Business Information Technology.....	Doanh Khanh Chung
Business Information Technology.....	Paul Tristan Martinez Egido
Business Information Technology.....	Kwan Yi Fong
Business Information Technology.....	James Fergus Hamilton
Business Information Technology.....	Hans Albert Hochbaum
Business Information Technology.....	Brent Alexander Kroeker
Business Information Technology.....	Kwong Shun Christopher Li
Business Information Technology.....	Dharmi Shaileshbhai Patel
Business Information Technology.....	Lai Ping Shum
Business Management.....	Abigail Adelodun Kuku
Child and Youth Care	Diana Ximena Mora Vanegas
Child and Youth Care	Chantal Williamson

Gold Medals

Program	Recipient
CNC Machining and Advanced Technology	Justin Heidebrecht
Community Development	María Javiera Hernandez Puschel
Creative Communications.....	Scott Lawrence Maier
Culinary Arts.....	Trevor Nicholas Doyle Walld
