RBC Convention Centre

Messages and Program

LAND ACKNOWLEDGEMENT

RRC Polytech is committed to ensuring that First Nations, Métis and Inuit knowledge, cultures and traditions are embraced and reflected in the pursuit of its mission.

An acknowledgement of these lands that we are on today, and of RRC Polytech's commitment to Indigenous Peoples and communities, now forms part of the foundational statements that define the Polytechnic.

RRC Polytech campuses are located on the lands of Anishinaabe, Ininiwak, Anishinew, Dakota, and Dené, and the National Homeland of the Red River Métis.

We recognize and honour Treaty 3 Territory Shoal Lake 40 First Nation, the source of Winnipeg's clean drinking water. In addition, we acknowledge Treaty Territories, which provide us with access to electricity we use in both our personal and professional lives.

We respect the Treaties that were made on these territories, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

RRC Polytech is committed to a renewed relationship and dialogue with Indigenous Peoples based on the principles of mutual trust, respect and reciprocity.

HONOUR SONG

This tradition began centuries ago on Turtle Island. Indigenous Peoples believe the drum and the heart share a similar purpose: to provide life through its beat. Convocation promotes oneness, love and respect for all living things.

The honour song brings voice and calls spirit to celebrate the relationships between all life. Usually sung to honour a particular person, they can also be sung for groups or at sacred gatherings such as sundances, sweat lodges and ceremonies to acknowledge those who have accomplished a great goal.

When the honour song is sung at a gathering, it is considered respectful to stand and remove your hat, if you can.

INDIGENOUS GRADUATION STOLES

Today's ceremony marks the first public unveiling of RRC Polytech's new Indigenous Visual Identity. The Indigenous graduation stoles worn by some graduates reflect this renewed identity – a meaningful expression of Indigenous cultures, connections and creativity.

Developed through extensive consultation with students, staff, Knowledge Keepers, Elders and community partners, the design honours tradition while embracing innovation. Each element symbolizes the stories, values and relationships that shape our shared journey toward Truth and Reconciliation.

These stoles represent pride, belonging and achievement, and signal the beginning of this new visual identity's rollout across RRC Polytech in the months to come.

President's Message

Dear graduates,

Congratulations on this remarkable milestone, and welcome to the proud and ever-growing community of RRC Polytech alumni.

Today, you join the ranks of graduates from Manitoba's only polytechnic – a distinction that speaks volumes about your dedication, passion, and ambition. The credentials you've earned are a symbol of considerable academic achievement, as well as a gateway to new opportunities and a testament to your commitment to contribute meaningfully in a world that is constantly evolving.

As you begin this next chapter, know you now have the confidence that comes from mastering new skills and acquiring new knowledge. You've proven your ability to adapt, to lead, and to thrive in the face of changes, qualities that will serve you well in any path you choose. Your education has prepared you not only to meet the demands of today's workforce, but to shape the future of it.

Employers will benefit from your fresh perspective, your practical experience, and your commitment to excellence. You are equipped to make a difference – not just in your workplace, but in your community and beyond. Your success contributes to the growth and prosperity of our province, and we are excited to see the impact you will make.

This achievement is the result of your hard work and perseverance, and you deserve to be celebrated. RRC Polytech is honoured to have been part of your journey, and we hope the values you've embraced here – innovation, inclusivity, and integrity – will continue to guide you as you build a better, more equitable future.

While today marks the end of your time as a student, it is only the beginning of your lifelong relationship with RRC Polytech. Whether through continuing education, professional development, or corporate training, we are here to support your growth at every stage of your career.

Stay connected and consider how you can give back – by mentoring, sharing your insights, or helping shape the next generation of learners.

As you join a network of more than 106,000 alumni making a difference around the world, know that we are proud of you and confident in all that you will accomplish.

Congratulations!

Awards and Medals

Lieutenant Governor's Medals

A maximum of four medals are awarded annually to graduates from RRC Polytech who, in the opinion of the selection committee, demonstrate exceptional academic and technical achievement, volunteer service to the Polytechnic, community, organizations and individuals, and good character. Selection is made by a committee that includes representation from the student body, faculty and administration.

FALL 2025 RECIPIENT

Kate Rudnyk

Spring 2025 graduate – Digital Media Design (Certificate)

Kate Rudnyk is a passionate community builder whose journey has been shaped by resilience, compassion and a deep commitment to helping others. After years of searching for direction, she found purpose at RRC Polytech, where collaboration replaced competition and belonging came naturally.

Kate now leads student tours and draws from her own experience to mentor others through uncertainty. Her Ukrainian heritage inspires her desire to make a difference – from volunteering at Holy Family Home to working with MBHelpsUkraine, a grassroots initiative that has raised more than \$5,000 for humanitarian aid.

Whether through quiet acts of kindness or bold community action, Kate leads with heart, proving that success is found not in having all the answers, but in showing up, listening and lifting others along the way.
