Convocation

FALL 2026

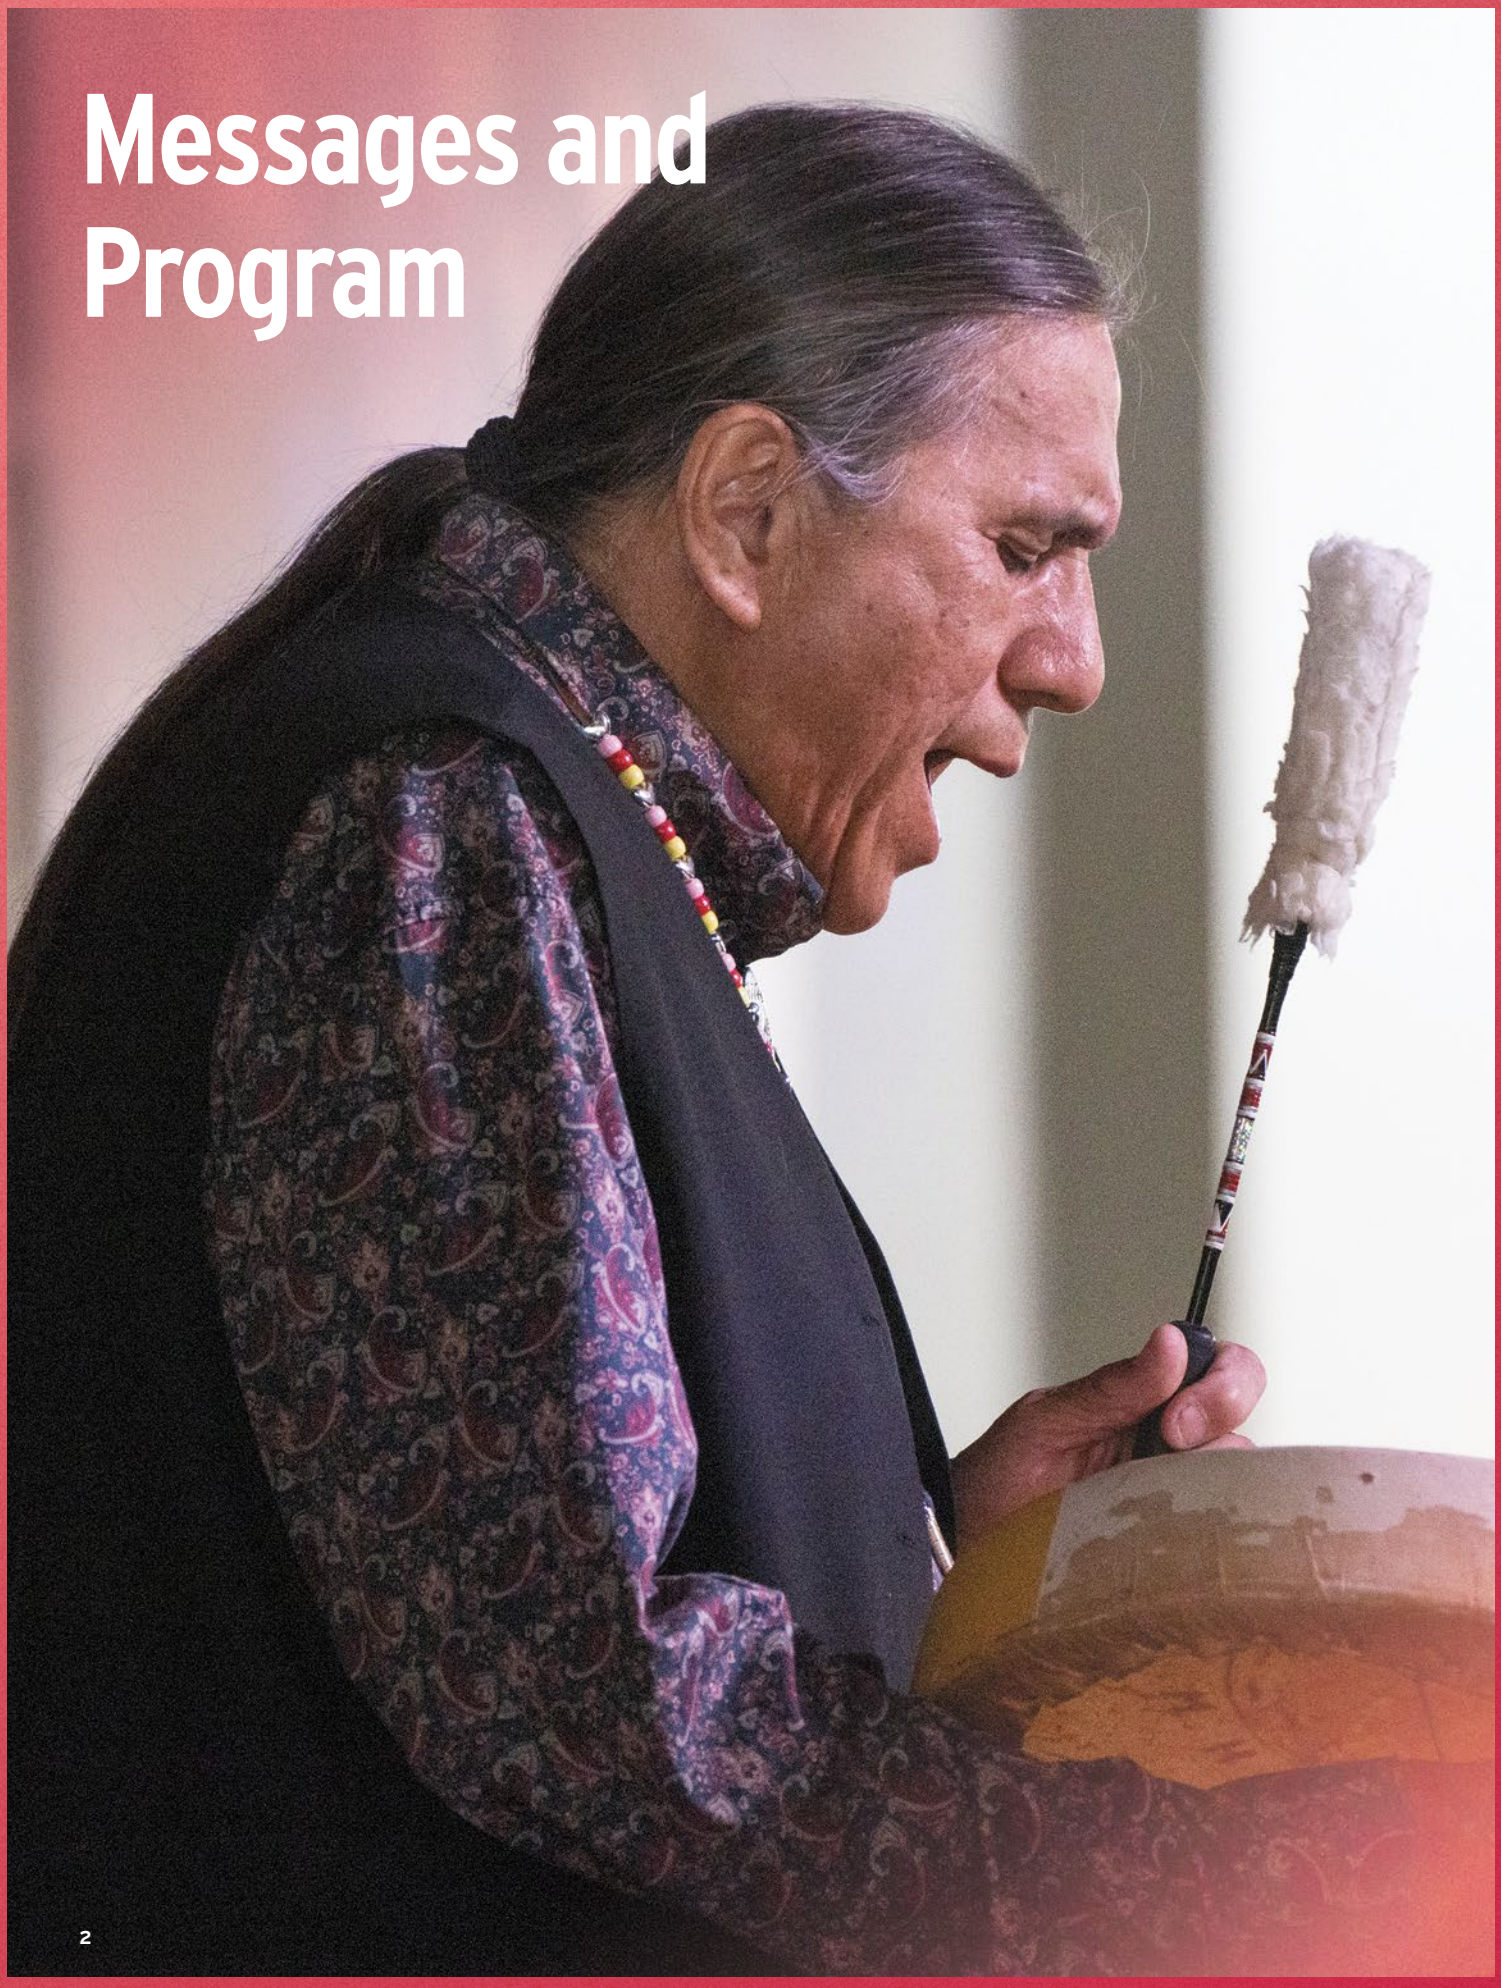

RRC POLYTECH

In Front of What's Ahead

MONDAY, **NOVEMBER 9**, 1:30PM AND 7PM

RBC Convention Centre

Messages and Program

LAND ACKNOWLEDGEMENT

RRC Polytech is committed to ensuring that First Nations, Métis and Inuit knowledge, cultures and traditions are embraced and reflected in the pursuit of its mission.

An acknowledgement of these lands that we are on today, and of the RRC Polytech commitment to Indigenous peoples and communities, now form part of the foundational statements that define us.

RRC Polytech campuses are located on the lands of the Anishinaabeg, Ininiwak, Anishininwak, Dakota Oyate, and Denésuline, and the National Homeland of the Red River Métis.

We recognize and honour Treaty 3 Territory Shoal Lake 40 First Nation, the source of Winnipeg's clean drinking water. In addition, we acknowledge Treaty Territories, which provide us with access to electricity we use in both our personal and professional lives.

We respect the Treaties that were made on these territories, and we dedicate ourselves to moving forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

RRC Polytech is committed to a renewed relationship and dialogue with Indigenous people based on the principles of mutual trust, respect and reciprocity.

HONOUR SONG

This tradition began centuries ago on Turtle Island. Indigenous Peoples believe the drum and the heart share a similar purpose: to provide life through its beat. This convocation promotes oneness, love and respect for all living things.

The honour song brings voice and calls spirit to celebrate the relationships between all life. Usually sung to honour a particular person, they can also be sung for groups or at sacred gatherings such as sundances, sweat lodges and ceremonies to acknowledge those who have accomplished a great goal.

When the honour song is sung at a gathering, it is considered respectful to stand and remove your hat.

INDIGENOUS GRADUATION STOLES

Indigenous graduates of RRC Polytech proudly wear graduation stoles draped over their shoulders in recognition of their academic achievements. These stoles feature elements of our new Indigenous visual identity, which was designed to resonate with all members of the RRC Polytech community, and to symbolize our collective commitment to reconciliation, representation and respect.

The resulting motif embodies the way teachings flow through us — ever-evolving, rooted in movement, continuity and our identities. Just as education shapes and reshapes us, this motif reflects the dynamic process of passing knowledge through generations.

Braided from all directions, from all Nations, it holds the past and lights the way forward.

President's Message

Dear graduates,

Congratulations on reaching this remarkable milestone, and welcome to the proud and growing community of RRC Polytech alumni.

Today, you join a distinguished network of graduates whose skills, knowledge and leadership are helping shape workplaces, industries and communities across Manitoba and around the world. Your credential is a reflection of your academic achievement. But more than that, it represents your determination, resilience and readiness to make a meaningful contribution in a rapidly changing world.

Throughout your time at RRC Polytech, you have developed practical expertise, embraced new challenges and demonstrated the adaptability needed to thrive in diverse and evolving environments. You are entering the workforce with the confidence to lead through change, solve complex problems and help create innovative solutions for the future.

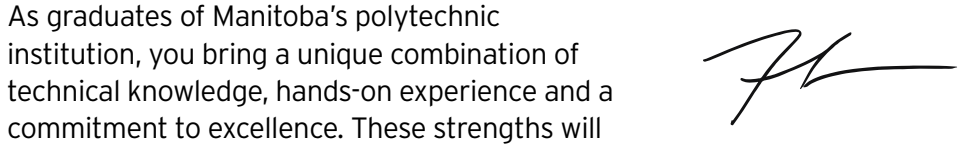

As graduates of Manitoba's polytechnic institution, you bring a unique combination of technical knowledge, hands-on experience and a commitment to excellence. These strengths will serve you well throughout your career and enable you to make a positive impact in your workplace, your community and beyond.

Today is a celebration of all you have accomplished and of the people who supported you along the way. On behalf of everyone at RRC Polytech, thank you for allowing us to be part of your journey.

While your time as a student may be ending, your connection to RRC Polytech is just beginning. As a member of our alumni community, you join more than 193,000 graduates who have learned, trained and built their futures with us since 1938. We encourage you to stay connected, continue learning, share your expertise and help inspire future generations of students.

We are proud of what you have achieved and excited to see where your journey takes you next.

Congratulations, Class of 2026.
We wish you every success in the future.

Fred Meier

PRESIDENT AND CEO, RRC POLYTECH

Board of Governors' Message

Dear graduates,

It is my honour to congratulate each of you on behalf of RRC Polytech's Board of Governors. You are on your way to becoming leaders and change-makers in your industries and we are proud to mark this day with you.

You have accomplished so much in your journey to graduation, and I hope you take the time to remember your hard-earned wins and celebrate your grit, determination and desire to make a positive impact.

Today you are welcomed to an esteemed group of RRC alumni. Those who have walked these halls before you are ready to welcome you into their ranks and I know you'll continue to impress and represent all that RRC Polytech stands for in your future successes.

Awards and Medals

Lieutenant Governor's Medals

A maximum of four medals are awarded annually to graduates from RRC Polytech who, in the opinion of the selection committee, demonstrate exceptional academic and technical achievement, volunteer service to the Polytech, community, organizations and individuals, and good character. Selection is made by a committee that includes representation from the student body, faculty and administration.

FALL 2026 RECIPIENTS

Hevyn-Lee Martens*
Foundations in Social Innovation and Development Certificate

*HONOURS

RRC Polytech Honorary Degree
Bachelor of Technology in Advanced Manufacturing

Dr. Gerry Price
Born and raised in Winnipeg, Dr. Gerry Price holds B.Sc., M.Sc. and Ph.D. degrees in Mechanical Engineering and Applied Mechanics. In 1977, he joined E.H. Price Limited (now Price Industries Limited) and became President in 1986.

As Chairman and CEO of Price Industries, Dr. Price has grown the company from 250 employees to more than 4,400 employees with 18 sales offices and 25 manufacturing sites across North America, Australia and New Zealand. Despite branching out to sites across the globe, Dr. Price has kept his headquarters in Winnipeg, Canada.

Price Industries is now a leader in air distribution equipment and technology. Manufactured products range from HVAC mechanical products to transit windows, aluminum extrusions and other industrial products. Each Price business is a market leader in its category as a result of operating in the "Price Way" – a focus on customer service, operating in a principled way, and investing in new technologies to better serve their customers.

In 2023, the Price Family Foundation provided a $10-million gift to RRC Polytech, supporting the establishment of the Price Institute of Advanced Manufacturing and Mechatronics. The Price Institute empowers RRC Polytech to bridge critical skills and labour gaps, spur applied research activities within small-to-medium enterprise employers and foster an innovation ecosystem where industry-education partnerships shift the technologies disrupting the sector from threats to opportunities.

In addition to this gift, the Price Family Foundation continues to provide financial support to hundreds of manufacturing and engineering students at RRC Polytech through Price Scholarships.

As a key employer in the community, Gerry and his wife Barb give back in a substantial way to a variety of charitable organizations through the Price Family Foundation.

RRC Polytech Honorary Diploma
Child and Youth Care

Ron Brown

Ron Brown recently retired as President and CEO of BGC Winnipeg (Boys and Girls Clubs of Winnipeg), concluding a remarkable 16-year tenure dedicated to empowering children, youth and families across the community. Prior to joining BGC Winnipeg, he built an extensive career in sport administration and high-performance coaching, earning a reputation as a respected leader both on and off the field.

A lifelong community builder, Ron remains deeply engaged in civic and volunteer leadership. He currently serves as Chair of the Board of Governors at MITT, is a board member of Sport Manitoba and serves as Vice-President of the Aboriginal Council of Winnipeg. He has also been named the incoming Campaign Chair for the United Way Winnipeg 2027 fundraising campaign.

In recognition of his outstanding contributions to sport, leadership and community service, Ron has been inducted into four Sports Halls of Fame, including the Manitoba Sports Hall of Fame and the North American Indigenous Athletics Hall of Fame. Earlier this year, he received the prestigious BGC Canada Visionary Award for his lasting impact and leadership.

A proud Winnipegger since 1974, Ron is also a proud member of the Annapolis Valley Mi'kmaq First Nation in Nova Scotia. When he's not volunteering or serving the community, he enjoys spending time with family at the cottage in Ponemah, reading, travelling and cheering on the Winnipeg Jets, the Winnipeg Blue Bombers and the Denver Broncos..

Gold Medals

FALL 2026 RECIPIENTS

RRC Polytech Gold Medals recognize graduates in diploma and degree programs of two academic years or longer (excluding Apprenticeship programs) who attain the highest cumulative program grade point average at or above 3.80. Each program selects and awards one gold medal for each academic year. The gold medallist may complete their program and convocate in either the fall or spring convocation ceremony.

PROGRAM	RECIPIENT
