

Retrieval Practice Workshop

Group Quiz Challenge

Question Sheet

Instructions to be performed as a group:

1. Decide on a person to write the group's questions on this sheet.
2. Decide on a person to read the written questions in the next part of this quiz challenge.
3. Agree on the five questions that will test a student's knowledge of this workshop.
4. Agree on an order for the questions starting with the most challenging and ending with the easiest question.
