

## Nurse (Term)

### Safety and Health Services

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 6 month eligibility list of qualified candidates for future vacancies.

### DUTIES

Red River College Health Services department is expanding and enhancing its nurse run clinic for students, staff and faculty. Working as an integral team member, the Nurse functions within a collaborative and fast-paced environment. This position will be instrumental in enhancing our Immunization program for students, staff and faculty. This role is key in the initial point of contact for individuals who require access to mental health resources. In addition to these roles, the Nurse also provides direct support to the Walk-in Clinic. The Walk-in Clinic sees a variety of illnesses, injuries and requests for care each week. The Nurse also provides education to departments and programs on health related issues (i.e.. allergy and first aid action plans). This position will be based out of Notre Dame Campus, however the incumbent be required to provide support to all Red River College campuses. This will include the Exchange District Campus as well as mobile immunization clinics, requiring travel to regional campus locations. The Nurse is responsible to ensure that clinical records are kept in accordance with all legislated acts such as PHIA, FIPPA, etc.

### REQUIRED QUALIFICATIONS

- Bachelor of Nursing Degree
- Registered Nurse in good standing with College of Registered Nurses of Manitoba
- Experience with Immunization Administration
- Maintains professional and any specialty certification standards
- Ability to carry out multiple demands with frequent interruptions, including urgent and/or emergent care
- Ability to effectively function in an independent working environment
- Excellent interpersonal skills to work collaboratively with many departments and people
- Ability to provide best practice advice related to maintaining a healthy learning and working environment for a diverse population within professional scope of practice
- Experience with Microsoft Office (e.g., Word, Excel, PowerPoint, and Outlook)
- Experience working with a diverse population
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSETS

- Experience working with Community Mental Health Resources
- Occupational Health Nurse, COHN, COHNC or related experience working in non-health care settings
- Experience working in Echart
- Canadian Nursing Association (CNA) specialty certification in Occupational Health Nursing or must be willing to obtain

### CONDITIONS OF EMPLOYMENT
