

Instructor, Gas Turbine Repair & Overhaul (Term)

Corporate Solutions

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 3 month eligibility list of qualified candidates for future vacancies.

DUTIES

Reporting to the Corporate Solutions Manager, the successful candidate will be a member of the Instructional team responsible for the delivery of Gas Turbine and Repair and other related training. The successful candidate will be responsible for the design, delivery, and evaluation of classroom and shop training, both on-campus and at the location of RRC Polytech's industry partner(s). Other duties include representation at symposiums and trade shows, and maintenance of student records and marks.

REQUIRED QUALIFICATIONS

- Valid or Equivalent Department of National Defense, Canadian Council of Aviation & Aerospace, Canadian General Standards Board, or relevant industry training and experience
- Extensive industry experience and previous training of gas turbine engines in an aerospace environment including work on a variety of gas turbine engines
- Supervisory experience in a Gas Turbine Repair/Overhaul environment
- Effective verbal, written and interpersonal communication skills
- Effective presentation and leadership skills
- Ability to work independently and within a collaborative team environment
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook)
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Experience in instructing adults
- Successful completion of additional licensing categories

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends

RRC Polytech requires that staff, students and faculty either be fully vaccinated or have an approved exemption to be able to attend any campus. For further information please review the [COVID-19 policy](#).

Red River College Polytechnic is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At RRC Polytech we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College Polytechnic is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit rrc.ca/hr
