

## Instructor, Math & Science (Term)

### Mathematics, Science and Communication

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

### DUTIES

Reporting to the Chair, Math, Science and Communications, RRC Polytech is looking for Math and Science Instructor to teach Math and Science into a variety of apprenticeship, certificate, diploma and degree programs. Math and Science courses build core skills for academic and career success, focusing on competencies required in Trades and Technology industrial sectors. The successful candidate will fulfill the duties of an instructor and may be assigned to one or a combination of locations at the Notre Dame or Exchange District campuses.

### REQUIRED QUALIFICATIONS

- An engineering degree or diploma in mechanical, electrical, electronic, civil or red seal endorsed in trades; a post-secondary degree or diploma with specialization in math and science; an equivalent combination of education and experience may be considered
- Experience teaching math, science or accounting in a post-secondary setting, or related industry experience
- Knowledge and experience with the application of math and/or science fundamentals in either trades, technology or accounting
- Commitment to student success through active and facilitative approaches to teaching in an online environment
- Experience creating a positive online learning environment with diverse learners
- Ability to work independently and collaboratively to create or refine teaching materials in learning management systems and with online platforms, such as MS TEAMS and WebEx
- Ability to self-reflect on teaching practice, and respond to change based on feedback or evidence-based recommendations
- Demonstrated skills with MS Office Suite
- Strong written communication skills
- Excellent verbal communication skills
- Demonstrated leadership skills
- Ability to work remotely
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSETS

- Certificate in adult education or currently enrolled in the program
- Previous experience working in a post-secondary educational institution
- An engineering degree or diploma in mechanical, electrical, electronic, civil or red seal endorsed in trades

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Incumbent must provide a current and satisfactory Criminal Records Check

RRC Polytech requires that staff, students and faculty either be fully vaccinated or have an approved exemption to be able to attend any campus. For further information please review the [COVID-19 policy](#).

Red River College Polytechnic is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At RRC Polytech we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College Polytechnic is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit [rrc.ca/hr](http://rrc.ca/hr)
