

Instructor, Corporate Training (Term)

Technology Access Centre for Aerospace and Manufacturing

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

DUTIES

Reporting to the Director, Technology Access Centre for Aerospace and Manufacturing (TACAM), the Instructor, Corporate Training is required to deliver theory and practical training to students in manufacturing GD&T. The incumbent will be expected to develop and modify curriculum; conduct student assessment and counseling; supervise student practical labs; maintain lab and classroom equipment; maintain accurate program records; effectively manage classroom activities; and perform related administrative responsibilities as required.

REQUIRED QUALIFICATIONS

- Post-secondary education in manufacturing / mechanical engineering technology; an equivalent combination of education and experience may be considered
- Recent relevant industry experience in manufacturing
- Experience in reading and using GD&T drawings, and interpreting engineering documentation
- Experience delivering GD&T training to College students or industry participants
- Ability to interpret and translate industry's technical requirements into training content
- Ability to undertake multiple tasks with limited supervision
- Strong written communication skills
- Excellent oral communication skills including presentation skills
- Excellent interpersonal skills
- Experience in project management
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Experience in operating CNC machines
- Experience in curriculum development
- Teaching for Learning certificate or equivalent

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends

Red River College Polytechnic is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At RRC Polytech we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College Polytechnic is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit rrc.ca/hr
