

Instructor, Gasfitter A (Term)

Construction Trades

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

DUTIES

Reporting to the Chair of the Construction Trades department, the Instructor is required to deliver both the theoretical and practical aspects of gasfitting to apprentices and pre-employment students in the gasfitter and related Construction trades programs. Topics covered will include, but are not limited to, trade safety, tools and equipment, gas piping, gas code, system design, installation, and commissioning. Duties include, but are not limited to: development and modification of curriculum, conduct student assessment and counseling, perform lab and classroom facility design and setup, maintain lab and classroom equipment and perform related administrative responsibilities as required.

REQUIRED QUALIFICATIONS

- Valid Inter-Provincial Journeyperson certificate Gasfitter A
- Significant related industry experience in residential, commercial and/or industrial aspects of the trade
- Experience with controls for gasfitting related equipment
- Experience using a variety of hand tools and machines
- Effective verbal communication skills
- Effective written communication skills
- Effective leadership skills
- Effective interpersonal skills
- Ability to work independently as well as in small to large group settings
- Ability to use conflict resolution techniques to facilitate positive outcomes
- Proficiency with MS Office software (Word, Excel, Outlook, PowerPoint, Teams)
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Valid Inter-Provincial journeyperson certification in Plumbing, Refrigeration or Steam Fitting
- Teaching for Learning / Certificate in Adult Education or Technical Vocational diploma
- Post secondary instructional experience
- A network of contacts within industry

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Instructors are required to complete the Teaching for Learning (TFL) in Applied Education program or have previously completed the Certificate in Adult Education (CAE)

RRC Polytech requires that staff, students and faculty either be fully vaccinated or have an approved exemption to be able to attend any campus. For further information please review the [COVID-19 policy](#).

Red River College Polytechnic is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At RRC Polytech we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College Polytechnic is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit rrc.ca/hr
