

Instructor, Information Technology (Term)

Applied Computer Education

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

DUTIES

Reporting to the Chair of Applied Computer Education the Instructor(s) will deliver both online and on campus courses for Applied Computer Education Information Technology programs. Possible curriculum delivery could include business courses, web development, programming, networking, information security, data science machine learning and IT Operations. Duties will include course preparation, course outlines, lesson plans, assignments, face to face marking and additional student support hours. The successful candidates will also participate in department and college committees. Evolve curriculum to meet current and ever changing technology industry needs. Exceptional technical expertise paired with strong communications are required to inspire students in blended learning environment.

Ideal candidates will have a passion for teaching adult learning and a commitment to lifelong learning.

Full time and part time opportunities are available. Please include your area of specialty on your application.

REQUIRED QUALIFICATIONS

Red River College Polytechnic is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At RRC Polytech we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College Polytechnic is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit rrc.ca/hr
