

Online Instructor, Game Development Art (Term)

Creative Arts

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

An eligibility list may be created for similar casual, part-time, full-time, and term positions

DUTIES

Reporting to the Chair of Creative Arts, a part-time, term instructor is needed to teach the Game Development Art program. Drawing upon extensive experience, Instructors will be expected to lead dynamic, engaging blended instruction to students using LEARN and Microsoft Teams, among others. Exceptional technical expertise paired with strong communication skills are required to inspire students. Ideal candidates will have expertise in 3D modeling, procedural content creation and experience with Unreal Engine and have a demonstrated passion for teaching adult learners and a commitment to lifelong learning.

REQUIRED QUALIFICATIONS

- Post-secondary education in Digital Media Design or directly related field; an equivalent combination of education and experience may be considered
- Mastery of industry standard 3D software; experience with Houdini, Maya and Unreal Engine ideal
- Extensive and relevant professional experience in industry
- Exceptional oral communication skills
- Ability to transfer existing skills to new platforms and applications
- Experience in developing and delivering presentations
- Strong written communication skills
- Demonstrated leadership skills
- Ability to work remotely and on campus in Winnipeg
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Experience working with post-secondary students

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- This position may be required to work throughout the academic year including the summer
- Months
- Instructors are required to complete the Teaching for Learning (TFL) in Applied Education program or have previously completed the Certificate in Adult Education (CAE)

RRC Polytech campuses are located on original lands of Anishinaabe, Cree, Ojji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.
