

Instructor, Aircraft Maintenance Engineer

School of Skilled Trades and Technologies, Stevenson Aviation and Aerospace, Winnipeg

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

An eligibility list may be created for similar casual, part-time, full-time, and term positions

DUTIES

Reporting to the Chair of Stevenson Aviation and Aerospace, the successful candidate will be a member of the Instructional team responsible for the delivery of our nationally approved Aircraft Maintenance Engineer program and other related training. The incumbent is responsible for the design, delivery, and evaluation of classroom and shop training for RRC Polytech Aviation programs and courses. Other duties include, but not limited to: providing training and college representation off campus as well as participation at symposiums and trade shows. Instructors in this role are also responsible for the regular entry of student grades and maintenance of student records.

REQUIRED QUALIFICATIONS

- Experience in various types of Aircraft Piston and Turbine engines
- Experience with a variety of Rotary Wing and/or Fixed Wing aircraft systems, including troubleshooting and repair
- Significant technical and supervisory experience of licensed AMEs in a Transport Canada Approved Maintenance Organization
- Effective verbal, written and interpersonal communication skills
- Effective presentation and leadership skills
- Ability to work independently and within a collaborative team environment
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Experience instructing adults
- M1 and/or M2 category license on a variety of aircraft
- Experience in troubleshooting/repair of aircraft electrical and avionics systems
- NDT experience and CGSB certification
- Additional AME License ratings ('E' and/or 'S' rating)

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- This position may be required to work throughout the academic year including the summer months
- Instructors are required to complete the Teaching for Learning (TFL) in Applied Education program or have previously completed the Certificate in Adult Education (CAE)

RRC Polytech campuses are located on original lands of Anishinaabe, Cree, Ojji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.
