

Instructor, Mechanical Engineering Technology (Term)

Electrical, Mechanical, & Manufacturing

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

An Expression of Interest is used to fill future vacancies by creating a list of eligible candidates that have already gone through a competitive process.

DUTIES

Reporting to the Chair of the Electrical, Mechanical and Manufacturing department, the Instructor is required to deliver theory and practical training to students in the Mechanical Engineering Technology program. The incumbent is expected to develop and modify curriculum, conduct student assessment and counselling, supervise student practical labs, maintain lab and classroom equipment, maintain accurate program records, effectively maintain classroom activities and perform related duties as assigned.

REQUIRED QUALIFICATIONS

- CET in Mechanical Engineering Technology or undergraduate degree in Mechanical or Industrial Engineering. An equivalent combination of education and experience may be considered
- Significant industry related experience in a manufacturing or industrial engineering environment
- Proficiency in Mathematics, Physics and computer application software (Microsoft Office, CAD)
- Proficient experience in the operation of lab equipment for assigned courses of instruction
- Effective written and verbal communication skills
- Demonstrated leadership skills
- Ability to work independently as well as collaboratively in group settings
- Effective presentation skills with ability to present material to diverse groups with the use of appropriate technology
- Effective interpersonal skills
- Experience building a respectful workplace culture that promotes diversity, learning and continuous improvement

ASSETS

- Post-secondary Instructional experience
- Certificate in Adult Education (CAE) or Technical Vocational Diploma
- Experience with Lean Manufacturing concepts
- Experience in CAD
- Experience in computer programming

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Instructors are required to complete the Teaching for Learning (TFL) in Applied Education program or have previously completed the Certificate in Adult Education (CAE)

RRC Polytech campuses are located on original lands of Anishinaabe, Cree, Oji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.
