

Nurse (Term)

Safety, Health and Security Services

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 6 month eligibility list of qualified candidates for future vacancies.

DUTIES

Red River College Polytechnic Health Services department is expanding and enhancing its nurse run clinic for students, staff and faculty. Working as an integral team member, the Nurse functions within a collaborative and fast-paced environment. This position will be instrumental in enhancing our Immunization program for students, staff and faculty. This role is the initial point of contact for individuals who require access to mental health resources. In addition to these roles, the Nurse also provides direct support to the Walk-in Clinic. The Walk-in Clinic sees an average of 80 clients per week with a variety of illnesses, injuries and requests for care. The Nurse also provides education to departments and programs on health related issues. This position will be based out of Notre Dame Campus, however the incumbent will be required to provide support to all Red River College Polytechnic campuses. This will include the Exchange District Campus as well as mobile immunization clinics, requiring travel to regional campus locations. The Nurse is responsible to ensure that clinical records are kept in accordance with all legislated acts such as PHIA, FIPPA, etc.

REQUIRED QUALIFICATIONS

- Bachelor of Nursing Degree
- Registered Nurse in good standing with College of Registered Nurses of Manitoba
- Occupational Health Nurse, COHN, COHNC or equivalent related experience including in non-health care settings
- Maintains professional and any specialty certification standards
- Ability to carry out multiple demands with frequent interruptions, including urgent and/or emergent care
- Ability to effectively function in an independent working environment
- Excellent interpersonal skills to work collaboratively with a diverse population
- Certified Health Care Professional level CPR
- Ability to provide best practice advice related to maintaining a healthy learning and working environment for a diverse population within a professional scope of practice
- Experience with Microsoft Office (e.g., Word, Excel, PowerPoint, and Outlook)
- Experience building a respectful workplace culture that promotes diversity, learning and continuous improvement

ASSETS

- Experience working with Community Mental Health Resources
- Experience with Immunization Administration
- Experience working in Echart
- Canadian Nursing Association (CNA) specialty certification in Occupational Health Nursing or must be willing to obtain

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- This position may be required to work overtime
- This position may be required to travel
- Incumbent must hold a valid College of Registered Nurses of Manitoba Certificate
- Incumbent must hold a valid and Current CPR Certificate
- Incumbent must provide a current and satisfactory Criminal Records Check, including a Vulnerable Persons Sector Check
