

Summer 2024 | Recreation Technician (RT) Positions

For more information, visit: winnipeg.ca/workinginrecreation

Position #1:

Wading Pool Attendant

Recreation Technician B

Salary per hour: RTB-\$15.69

As per the Manitoba Health Act, Wading Pool Attendants must be 16 years or older to operate a wading pool. A Wading Pool Attendant is responsible for safety, supervision, and operation of a wading pool for children 12 years of age and under. Assets to this position would be the ability to communicate effectively in languages other than English, water safety and pool knowledge, and leadership skills. Positions are located all over the city and schedules include evenings and weekends.

Position #2:

Youth Leader

Recreation Technician C

Salary per hour: RTC-\$18.47

Our youth programs include recreational activities for youth (ages 13–18 years unless otherwise stated), such as arts, crafts, sports, games, and other interests. Youth Leaders are responsible for organizing and supervising activities with pre-teens and youth at the various sites across the city. Leaders require knowledge and training related to conflict resolution, program planning, sports, games, arts and crafts, and leisure activities, as well as the ability to mentor and relate to youth and pre-teens. Hours of work are afternoon and evening shifts.

Position #3:

Children's Leader (Free Play & What's Up)

Recreation Technician B or C

Salary per hour: RTB-\$15.69 • RTC-\$18.47

Through various planned activities, our Children's Leaders will challenge the children's (ages 6–12 years) physical well-being, promote positive lifestyle choices, and organize opportunities to learn about their community. Leaders will organize and supervise children's play activities at various sites across the city. Leaders require skills and/or training in planning and implementing a wide range of recreational activities such as arts, crafts, sports, music, drama, and games, as well as the ability to relate to children. Leaders will be trained on and follow the principles of Healthy Child Development (HIGH FIVE®) in the planning and delivery of these programs.

Position #4:

Preschool Leader (L'il Critters & Cartown)

Recreation Technician B or C

Salary per hour: RTB-\$15.69 • RTC-\$18.47

Preschool Leaders will organize and supervise preschool activities (ages 3–7 years) at various sites. Leaders require skills and/or training in planning and implementing a wide range of recreational activities, such as arts, crafts, sports, music, drama, and games, as well as the ability to relate to children. Please note: the Cartown program starts end of May / beginning of June and is offered in both French and English. The RTC schedule will include weekdays and weekends.

Position #5:

Building Supervisor & Facility Monitor (Part-Time)

Recreation Technician B or C

Salary per hour: RTB-\$15.69 • RTC-\$18.47

Responsible for the monitoring of a recreation facility and/or weight room. Responsibilities may include answering the phone, opening and locking rooms for programs, and ensuring safety in a City of Winnipeg weight room. Where applicable, the position includes cleaning and inspecting weight room equipment; and enforcing rules, guidelines and safety practices. Must have the ability to relate well with the public and knowledge and training related to conflict resolution. Other duties may include assisting the public with program registration and cash handling. Hours of work vary and may include morning, afternoon, evening and/or weekend shifts. May be required to lift up to 45 pounds.

Position #6:

Equipment Loans & Equipment Delivery

Recreation Technician C

Salary per hour: RTC-\$18.47

Responsible for filling, packaging, and delivering recreational and aquatic equipment supplies for Leisure Guide and Priceless Fun programs. Must have the ability to relate to the general public, as these positions support various special events. Requires the ability to work in a team structure, follow safety protocols, keep accurate records, and follow work schedules. Position requires a Class 5 Driver's License, steel-toed safety boots, and must be physically capable of lifting 45+ pounds on a regular basis. Generally working out of 565 Watt Street, the position involves both indoor and outdoor work. Hours of work are generally Monday through Friday with occasional weekend hours.
