

## Program Availability for International Students

This document is current as of **April 29, 2024**

### LEGEND:

**Open** – The program has spaces available for that intake and is currently accepting applications. It is still dependent on the number of applications received.

**Wait** – All spaces for that intake have been assigned, but a wait list is kept in case of cancellations. You can apply to a Wait program, but please do so with the understanding that all spaces have been filled, so your chances of receiving an offer are contingent on the number of cancellations processed.

**Closed** – The program is no longer accepting new applications for that intake, as all program spaces and the wait list has been filled.

**n/a** (Not Available) – The program is not offered for this start date.
