AUDITORS' REPORT

To the Board of Governors of Red River College

We have audited the statement of financial position of Red River College as at June 30, 2006 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the College's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the College as at June 30, 2006 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Our examination did not extend to the budget which has been provided as additional information and therefore we do not express any opinion concerning the budget.

Notes to Financial Statements (In thousands of dollars)

Year ended June 30, 2006

1. General:

Red River College operates under the authority of *The Colleges Act of Manitoba*. This legislation, which established the College as a board-governed institution on April 1, 1993, allowed for the transfer of assets, liabilities, investment in capital assets and contributed surplus from the Province of Manitoba.

2. Significant accounting policies:

(a) Inventories:

Inventories are valued at the lower of cost and net realizable value.

(b) Capital assets:

Purchased capital assets are recorded at cost. Donated capital assets are recorded at their fair value at the time of the donation. Library holdings are accounted for using the base stock method. Under this method, the value of the base stock is capitalized, but subsequent purchases are not capitalized because it has been determined that annual additions are approximately equal to reductions. Capital assets are amortized on a straight-line basis using an annual rate of:

Asset	Rate
Buildings Major renovations Equipment and furniture Computer equipment and software Vehicles Aircraft Leasehold improvements	2.5% 5% 10 - 20% 20 - 33% 20% 5% Over the term of the lease

(c) Donations:

Donations are recorded when received. Donations of materials and equipment are recorded at fair value.

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

2. Significant accounting policies (continued):

(d) Revenue recognition:

The College follows the deferral method of accounting for contributions, which include donations and government grants. Unrestricted contributions are recognized as revenue when received. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the year in which the related expenses are recognized. Endowment contributions are recognized as direct increases in net assets in the period in which they are received.

The unearned portion of tuition fees and contractual training revenue received but not earned until next fiscal year is recorded as deferred revenue.

Restricted investment income is recognized as revenue in the year in which the related expenses are recognized. Unrestricted investment income is recognized as revenue when earned.

(e) Intangible asset:

The intangible asset is recorded at cost and is amortized on a straight-line basis using an annual rate of 10 percent.

(f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

3. Short-term investments:

Short-term investment activity is transacted with the Department of Finance, Province of Manitoba in short-term deposits. Interest rates on short-term investments range between 3.85 percent and 4.25 percent. Short-term investments mature between July 2006 and September 2006.

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

4. Prepaid expenses:

	\$ 4,226	\$	4,273	\$ 248	\$	248

Fair value as represent above was derived from the market value of investments.

6. Due from Province of Manitoba:

The balance due from the Province of Manitoba is non-interest bearing, unsecured and has no fixed terms of repayment. This balance arose when the severance and vacation pay liabilities were transferred from the Province of Manitoba to the College.

7. Capital assets (continued):

The assets under capital leases are amortized on a straight-line basis over the expected useful life of the assets. The amount of amortization charged to expense is \$2,263 (2005 - \$3,663).

The increase in net book value of capital assets is due to the following:

	2006	2005
Balance, beginning of year Purchase of capital assets:	\$ 71,298	\$ 73,076
Funded by deferred capital contributions Funded by deferred capital campaign contributions Internally funded Financed through capital lease proceeds Donations of capital assets Gain on disposal of capital assets Amortization of capital assets	3,507 195 5,483 (301) 231 3 (8,227)	1,700 561 6,557 (1,781) 265 9 (9,089)
	\$ 72,189	\$ 71,298

8. Bank indebtedness:

Bank indebtedness of \$1,340 (2005 - \$765) represents cheques issued in excess of cash on deposit with Royal Bank of Canada.

In addition, the College has a \$5,000 operating line of credit with the province of Manitoba, bearing interest at prime.

9. Accounts payable and accrued liabilities:

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

9. Accounts payable and accrued liabilities (continued):

Significant actuarial assumptions used in the severance obligations at June 30, 2006 and June 30, 2005 were:

Interest rate on obligations	7.00%
Employer current service cost as a percentage of salary	.62%

10. Obligations under capital leases:

The following is a schedule of future minimum lease payments under capital leases expiring between July 2006 and August 2009 together with the balances of the obligations under capital leases:

2007 2008 2009 2010 Total minimum lease payments	\$ 1,569 944 355 100 2,968

	\$ 1,350

Interest expense on the lease obligations amounted to \$184 (2005 - \$271).

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

11. Deferred contributions:

Deferred contributions represent the portion of the provincial operating grant and other contributions that pertains to expenditures of the following year and donations for various scholarships, bursaries and other specific purposes to be paid out in future years.

	2006	2005
Deferred provincial operating grant:		
Balance, beginning of year	\$ 1,724	\$ 1,390

Amount received related to following year	662	729
Balance, end of year	1,430	1,401
	\$ 3,087	\$ 3,125

12. Deferred capital campaign contributions:

Deferred capital campaign contributions represent donations received for capital fundraising campaigns. The donations are being amortized on the same basis as the capital assets to which they relate. The changes in the deferred capital campaign contributions balance are as follows:

	2006	2005
Balance, beginning of year Less amortization of deferred capital campaign	\$ 3,523	\$ 3,214
contributions during the year Add donations received during the year	(287) 195	(252) 561
Balance, end of year	\$ 3,431	\$ 3,523

13. Deferred capital contributions:

Deferred capital contributions represent the unamortized amount of grants, donations and other revenue received for the purchase of capital assets.

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

13. Deferred capital contributions (continued):

The amortization of capital contributions is recorded as revenue in the statement of operations. The changes in the deferred capital contributions are as follows:

	2006	2005
Balance, beginning of year Less amortization of deferred contributions Add: Contributions received for capital purposes	\$ 53,899 (4,456) 3,507	\$ 56,435 (4,501) 1,700
Donations-in-kind	231	265
Balance, end of year	\$ 53,181	\$ 53,899

14. Investment in capital and intangible assets:

The investment in capital and intangible assets consists of the following:

	2006	2005
Capital assets	\$ 72,189	\$ 71,298
Intangible assets	12	14
Less:

Increase in investment in capital and intangible assets	\$ 2,000	\$ 2,229

Notes to Financial Statements (continued) (In thousands of dollars)

Year ended June 30, 2006

15. Restrictions on net assets:

Net assets restricted for endowment purposes are subject to externally imposed restrictions stipulating that the resources be maintained permanently. Investment income on these resources is externally restricted to provide various scholarships, bursaries and other expenditures.

Internally restricted net assets consist of the following:

	2006	2005
Princess Street structural reserve Contract training net proceeds	\$ 430 715	\$ _ 340
Balance, end of year	\$ 1,145	\$ 340

Under a college internal best practice guideline, net proceeds earned from designated contract training activities are restricted and eligible for expenditure under certain conditions, in the years following contract completion.

16. Change in non-cash working capital balances:

	2006	2005
Accounts receivable Inventories Prepaid expenses Accounts payable and accrued liabilities Deferred revenue	\$ (520) (58) (1,006) 467 443	\$ (101) 30 (156) 2,290 785
Change in non-cash working capital	\$ (674)	\$ 2,848

17. Pension costs and obligations:

The College, together with other related and unrelated parties, is part of a defined benefit pension plan (Civil Service Superannuation Plan) that satisfies the definition of a multi-employer plan. The costs of the benefit plan are not allocated to the individual entities within the group. As a result, individual entities within the group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Canadian Institute of Chartered Accountants Handbook, Section 3461.

The expense related to the pension plan was \$587 (2005 - \$376). These contributions represent the total pension obligations of the College. The College is not required under present legislation to make contributions with respect to any actuarial deficiencies of the plan.

20. Charitable status:

The College is a registered charity under the Income Tax Act.

21. Financial instruments:

Credit risk:

Credit risk is the risk to the College's earnings arising from the risk that a counter party to a transaction is unable to satisfy its obligations to the College. Credit risk is mitigated by the fact that the College's accounts receivable are comprised of a large number of comparatively small individual balances.

Fair value:

The carrying amounts of short-term financial assets and liabilities are a reasonable estimate of their fair values because of the short maturity of those instruments. Short-term financial assets are comprised of cash, short-term investments and accounts receivable. Short-term financial liabilities are comprised of accounts payable and accrued liabilities and current portion of obligations under capital leases. The fair value of obligations under capital leases are also approximately equal to their carrying amounts.
