

Bike Room Usage Agreement

at RRC between: RED RIVER COLLEGE (RRC) -and- _____ (The "USER").

In consideration of the privilege of using one of the bike rooms at the RRC Exchange District Campus, the parties agree to the following:

1) The User shall be granted access to: _____.

The term of this agreement ends _____.

Users must provide their own lock and use the bike racks provided. Bikes must be stored vertically using only one spot. Users need to have a valid student or staff card to get access to the room.

Users who wish to continue using the bike room for a subsequent term must notify the Campus Store before the end of the current term; failure to do so may result in all available spots being granted to others.

2) Users are required to remove all personal items from the bike room when their term ends.

3) Only bicycles and associated cycling equipment (helmets, gloves, etc) may be stored in the bike room.

4) The User is authorized to access the bike room for their personal use only. Bike room access is non-transferable. Granting access, which may include, without limitation, entry, reassignment or any other form of access whatsoever to others to the bike room is not permitted by the User under any circumstances. The User understands and acknowledges that other individual Users as well as permitted staff, faculty, students and contractors have access to the Bike Room.

5) The College may terminate this agreement without notice for any material breach of this agreement. A material breach shall include, but shall not be limited to:

- a) Breach of these terms and conditions or any posted rules or policies;
- b) The User causing damage to RRC Property, including but not limited to the bike room, or the property of others.

6) The College reserves the right to assign the User to a different bike room in cases of maintenance, repair or other unforeseen circumstance.

7) Bike rooms are for the exclusive use of RRC staff and students. If a User's status as a student or employee changes, the User shall notify the Campus Store to cancel this agreement and remove their belongings from the bike room.

8) Upon expiry or termination of this agreement, the College may remove any items from the bike room. The College reserves the right to remove any bicycle or other contents that are stored in the wrong locker. All removed contents will be held by the College for 14 days and then disposed of. The College shall not be responsible for any losses or damages caused by its disposal of contents in accordance with this Agreement and under no circumstances shall a User be reimbursed for the value of said contents.

9) RRC has the right to enter the bike room at any time.

10) Use of the bike room is entirely at the User's own risk. The User acknowledges that the bike room is a shared facility. The College assumes no liability for any personal injury (including death) suffered by the User, nor does the College assume liability for any loss or damage due to fire, theft, collision or any other cause to the User's belongings, including but not limited to their bicycle. The User hereby releases the College, its officers, employees and agents from any and all liability arising from any claim, damages, causes of action, whatsoever arising from or related to this Agreement or the use of the Bike Room.

11) The User shall indemnify and save the College harmless from all claims, actions and proceedings and any costs and expenses incurred by the College thereby, for loss or damage resulting from bodily injury including death to any person or persons and for loss or damage to any property arising from the use of the bike locker by the User.

12) This Agreement may be executed by way of any signature including electronic signature, both of which shall be deemed to have the same legal validity and enforceability as a handwritten signature.

I, the User, have read and agree to all of the above conditions. Signed: _____
