

To Search for Safety Data Sheets (SDS's) in SiteHawk

The screenshot shows the SiteHawk SDS Ledger interface. At the top, there is a navigation bar with the Red River College logo and the text "Red River College Welcome, General User [RedRiverCollege]". Below this is a search bar with a magnifying glass icon. A tooltip above the search bar reads: "Press Enter after each keyword/phrase to tokenize. Press enter again or select magnifying glass to search." Below the search bar is the "SDS Ledger" header. The main content is a table with columns: Material, Site Number, CAS, Manufacturer, Status, and SDS Date. The table contains 10 rows of data. A tooltip points to the search bar.
