

Course Outline Template – Instruction Sheet

Exporting a PDF for distribution

Once the content for this document is finalized and approved (and the text on this page removed), go File > Save As > PDF (.pdf) to export a file for distribution.

Text formatting

Several type styles have been provided for use with this template. A single hard-return is used to separate paragraphs.

Please do not move, stretch, skew or rotate the background image in any way.

Please use the following pre-defined styles:

Document Title

Intro Paragraph

Body Copy

Heading 1

HEADING 2

Subhead 1

SUBHEAD 2

1. List 1
 - List 2 – Sub List

TABLE HEADING

Link text

Asterisk, caption or footer
